

Seeds can be ordered by email (click Seedbank on the Contact Us webpage) or by postal mail.					
If you want seeds sent to you by mail, please send a self-addressed, stamped return envelope to Hans Griesser, 5 Coleman Road, Gumeracha SA 5233.					
If a taxon is not on this list, please check with me per email (click Seedbank on the Contact Us webpage) and I'll try to chase up some seeds					
When placing an order, it may be useful to send me an email, so I can let you know if there might be a slight delay, for example when I am away					
Please note that some seeds, especially the older lots, are available in small numbers only
